Community research

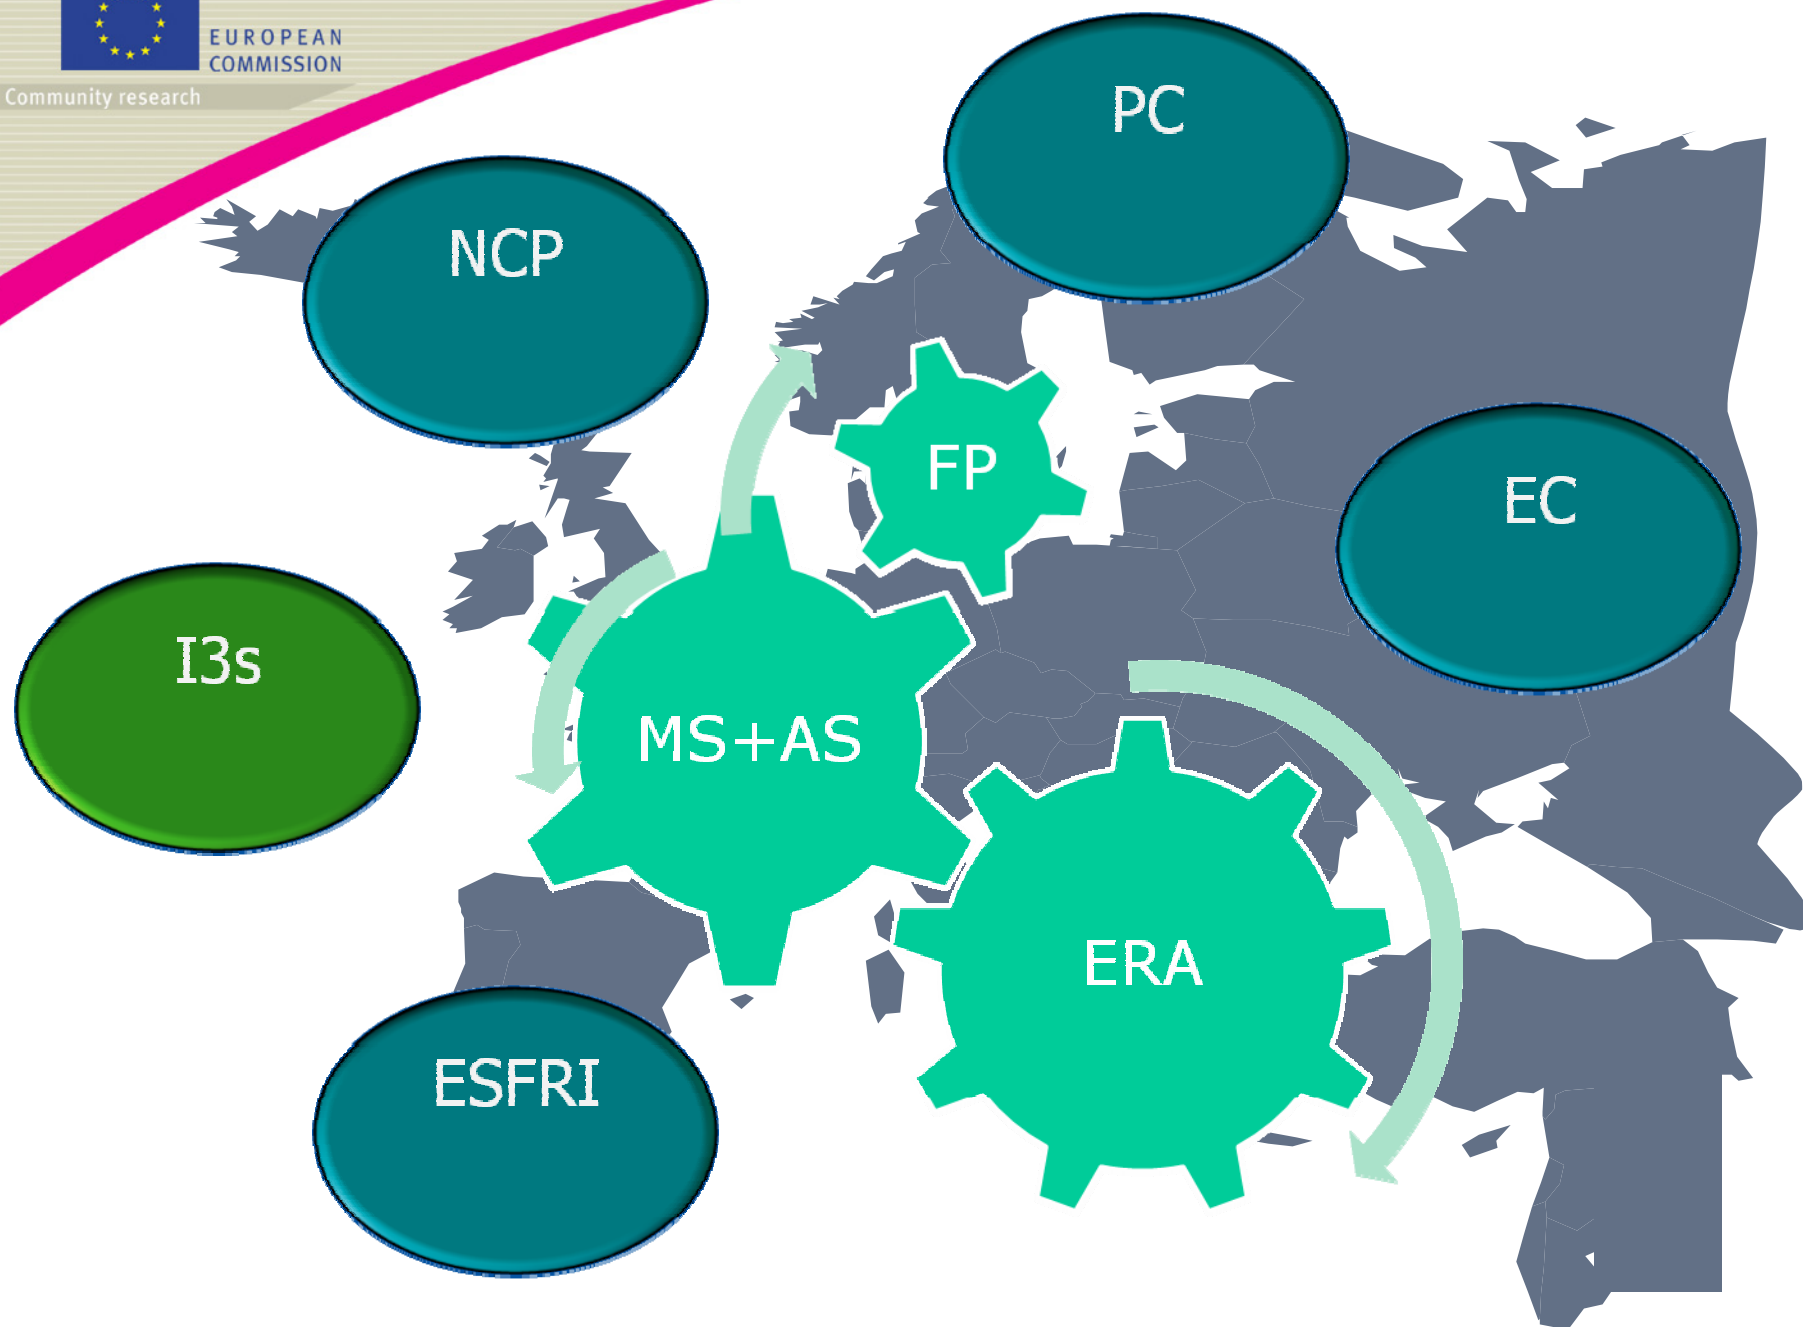

Role of NCPs?

EUROPEAN
COMMISSION

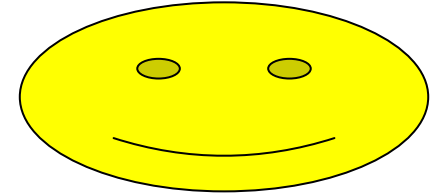

Community research

EUROPEAN
COMMISSION

Community research

Role of NCPs

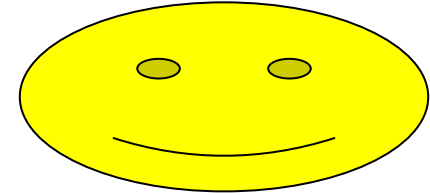

**Specific role,
different from an ESFRI delegate,
is linked with the following
tasks...**

EUROPEAN
COMMISSION

Community research

Role of NCPs

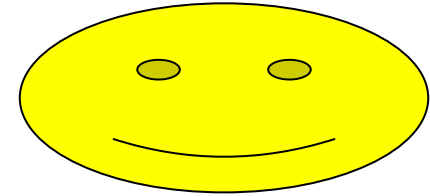

To link / help national
partners with **FP7**

EUROPEAN
COMMISSION

Community research

Role of NCPs

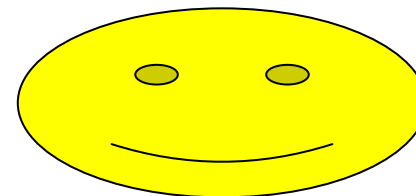

**Joint role,
together with ESFRI delegate,
is linked with the following
tasks...**

EUROPEAN
COMMISSION

Community research

Role of NCPs

**To continue explaining what
are Research Infrastructures**

EUROPEAN
COMMISSION

Community research

To support RI actions at EU level (which have no other goal than continuing reinforcing coordination)

- At EU level,
- At national and regional,
- At “variable geometry”,
- At global level...

*This explains the important
role of ESFRI and others...*

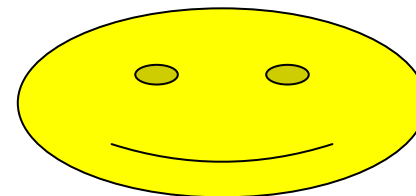

European Strategy Forum
on Research Infrastructures

EUROPEAN
COMMISSION

Europa

growth and jobs
working together for Europe's future

EUROPEAN
COMMISSION

Community research

NCP

Don't work alone... Work together as an integrated activity... i.e. (1) networking, (2) joint work & reflections, (3) transnational access to best practices

Third countries
